

Ulissi 4th in the Tour Down Under 2018

Even after the last stage in the Tour Down Under (Adelaide–Adelaide, 90 km) Diego Ulissi had no problem clinching 4th place in the general classification, 20" from the winner, Impey. Greipel won the conclusive stage in the final sprint, with Consonni placing 7th; the young sprinter from UAE Team Emirates will also return from Australia with a 4th and 5th place earned in the sprints. Although Ulissi achieved a better place in this race in 2014 (3rd position), with the good result he obtained in this year's general classification he has confirmed his ability to remain competitive during the entire season. In October he captured the Tour of Turkey and in the Tour Down Under, the first event in 2018, he was able to get off to a good start by remaining at a high level.
